

BIBLIOGRAPHY OF WORKS ON THE EMERGING CHURCH

Compiled by Dennis M. Swanson
Director of the Seminary Library

The Emerging Church was the subject of the 2006 *Faculty Lecture Series* in early 2006. The following bibliography contains the fruit of the lecturers' collective research plus some additional sources.

This bibliography cannot be exhaustive as there are over 18 million Web pages with some material on the movement and over two dozen new works on the subject scheduled for publication. It is simply an effort to facilitate further research and study by readers of *TMSJ*. It is divided into four sections: (1) Reference Works, (2) Monographs and Multi-Author Works, (3) Journal and Periodical Literature, and (4) Unpublished and Online Resources.
