*“Modesty” sites are in bold italics—shorts to knees and shoulders covered. Our visit to the Temple Mount requires more “modesty”—women need to wear shirts/blouses with sleeves past the elbow and capri or pants; men need to make sure knees and shoulders are covered; pants are always safest **Don’t bring print Bibles in your backpack!! You can use the Bible on your phone or tablet.***

Quizzes will be taken online through Canvas or Google forms; Dr. G will send you the link for the quiz the night before the quiz is due. Everyone must take the quizzes. It enables me to lead the trip without a silent guide. Preparing for and taking the quizzes will contribute to better long-term remembering.

We will be attending a Messianic assembly on the second Saturday. Casual clothes OK, including hiking pants or modest shorts.
